Prices exclude GST and freight
Minimum order - 10 Bases and 20 Lids

We can also make custom colours to suit your organisation
Minimum order 2,000 units

Designed for hand-held collection by the road side, foot path, or can be placed on countertops and secured by chain.

The quick drop lid allows motorists, pedestrians and the general public to quickly and safely donate to your fundraising event.

When the container is full simply remove the tamper evident lid from the base and replace with a new lid.

Features	Benefits
Quick Drop lid directly channels coins into the base	Faster, safer money collection for your volunteers
Tamper evident strip	Ensures all money collected is not tampered with
Reusable bases	Save money, you only need to replace the lid
Tops available in Quick Drop or Standard	Versatility to your event
Large printable area or to apply stickers	Promotes your charity to the public
Australian made and owned	Local contact, quality guaranteed
