Dimensions

Height: 220 mm
Diameter: 98 mm

Features

- Large eye-catching label area with a sloped top for added impact.
- Labels can be provided.
- Ample capacity – holds approx. \$150 in mixed coins.
- Available in red, green, blue, yellow, black, orange, purple, pink and white. Custom colours available for order of 200 or over
- Security chains can be fitted. Security chains give confidence.
- The base is a bayonet-type fitting with three locking points. It also has a hole so a padlock can be used.

A proven collecting unit for static collections on counters in pubs, shops, clubs, offices, banks, reception desks, etc., made from ABS (Acrylonitrile Butadiene Styrene) that is light, attractive and extremely tough.

This highly productive fundraiser has been well received by both box holders and volunteers.
